unknowni watch him from the shadows capturing his essence through a tiny lens every inch of his skin i have committed to memory i know his body as well as my own i m waiting for the right moment to let him catch sight of me just like the way he seized my attention so long ago thomas unease and fear are my constant companion a side effect of the eyes i can sense on me watching my every move i don t know how to make the feeling stop the not knowing if someone

is lurking out there just waiting for me to drop my guard is making me lose my mind masoni wish i could tell thomas how he makes me feel the feelings that i hide are consuming me making it harder to face him i ve wanted him for years but never found the strength to admit the truth the lie is getting harder to tell and every day i feel myself starting to slip

in plain sight is a police procedural set in the terrifyingly surreal world of crime and retribution inhabited by the mumbai police page 4 of cover

hiding in plain sight tells the story of the global effort to apprehend the world s most wanted fugitives beginning with the flight of an estimated thirty thousand nazi war criminals after the second world war then moving on to the question of justice following the recent balkan wars and the rwandan genocide and ending with the establishment of the international criminal court and america s pursuit of suspected terrorists in the aftermath of 9 11 the book explores the range of diplomatic and military strategies both successful and unsuccessful that states and international courts have adopted to pursue and capture war crimes suspects it is a story fraught with broken promises backroom politics ethical dilemmas and daring escapades all in the name of international justice and human rights in this exhaustively researched and compelling written work of political and judicial history the authors argue that while the legal and operational regimes needed to apprehend and deliver suspected war criminals to justice are largely in place the political will on the part of states to make arrests happen in a consistent and apolitical manner remains elusive and until this situation is rectified murderers will get away with murder and torturers will retire with pensions provided by publisher

a man assumes the identity of his dead twin brother in order to alibi his guilty wife

how a single haunting image tells a story about violence mourning and memory in 1865 clara barton traveled to the site of the notorious confederate prison camp in andersonville georgia where she endeavored to name the missing and the dead the future founder of the american red cross also collected their relics whittled spoons woven reed plates a piece from the prison s dead line a tattered bible and brought them back to her missing soldiers office in washington dc presenting them to politicians journalists and veterans families before having them photographed together in an altar like arrangement relics of war reveals how this powerful image produced by mathew brady opens a window into the volatile relationship between suffering martyrdom and

justice in the wake of the civil war jennifer raab shows how this photograph was a crucial part of barton s efforts to address the staggering losses of a war in which nearly half of the dead were unnamed and from which bodies were rarely returned home for burial the andersonville relics gave form to these absent bodies offered a sacred site for grief and devotion mounted an appeal on behalf of the women and children left behind and testified to the crimes of war the story of the photograph illuminates how military sacrifice was racialized as political reconciliation began and how the stories of black soldiers and communities were silenced richly illustrated relics of war vividly demonstrates how one photograph can capture a precarious moment in history serving as witness advocate evidence and memory

it s raining in syracuse amateur sleuth robin light half wishes her pet store noah s ark would just get up and float away business is that bad a client finally comes calling only to wind up dead a few days later floating in the local reservoir if there s one thing robin s sure of it s that marsha pennington didn t kill herself not when the dead woman s malicious husband was fighting for custody of marsha s beloved twin shih tzus fueled by her diet of junk food and scotch and with some much needed help from her ex cop friend george simpson robin searches for the link between the woman s murder a runaway student a bookie and an incredible epidemic of bats but for robin it s already too late she has been marked for certain extinction by a vicious killer who waits in plain sight

no one is safe not even the police di nelson is used to dealing with violent crimes but this one is personal he s hunting a killer with an alarming agenda and the body count is rising daily can hero catch the killer before more innocent victims lose their lives a killer intent on hiding in plain sight pick up this non stop action thriller today if you enjoy james patterson s alex cross series from the bestselling author of the justice series with over 2 million copies sold worldwide books in the series are deadly act a hero series novella torn apartend resultin plain sightdouble jeopardy

ever wonder how a little old lady with possum gray hair could wind up on a homicidal hit list well nothing is too outlandish for ivy malone she s back and she s brought her mutant curiosity gene with her and ever since the evil intentioned drake braxton and his family threatened to make road kill out of ivy her life has been crazier than ever with the ever present threat of

looming braxtons ivy decides to get out of dodge for a while but for someone who slides down banisters and drives a t bird hiding from the mob does not come easily and when strange things start happening to her new neighbors ivy's snooping sense kicks into overdrive will she unravel the mystery or will the threats to her safety scare her away with invisible readers laughed so hard they cried in plain sight the second ivy malone mystery promises to be even better

a legal analyst for npr nbc and cnn delves into the facts surrounding what has been called the worst intelligence disaster in u s history the case of robert hanssen a russian spy who was embedded in the fbi for two decades as a federal prosecutor and the daughter of an fbi agent wiehl has an inside perspective she brings her experience and the ingrained lessons of her upbringing to bear on her remarkable exploration of the case interviewing numerous fbi and cia agents both past and present as well as the individuals closest to hanssen she speaks with his brother in law his oldest and best friend and even his psychiatrist in all her conversations wiehl is trying to figure out how he did it and at what cost but she also pursues questions urgently relevant to our national security today could there be another spy in the system could the presence of a spy be an even greater threat now than ever before with the greater prominence cyber security has taken in recent years wiehl explores the mechanisms and politics of our national security apparatus and how they make us vulnerable to precisely this kind of threat wiehl grew up among the same people with whom hanssen ingratiated himself and she has spent her career trying to find the truth within fractious legal and political conflicts a spy in plain sight reflects on the deeply sown divisions and paranoias of our present day and provides an unparalleled view into the functioning of the fbi and will stand alongside pillars of the genre like killers of the flower moon the spy and the traitor and no place to hide
